NOTES FROM THE DIRECTORS

As Directors of the Children's Theatre, we not only wanted to present a play, but to provide community children with opportunities to learn stage techniques, stage presence, and character development.

We commend the entire cast for their cooperation, consideration for others, their enthusiasm, and their willingness to work.

A special "thanks" to parents for providing transportation and costumes.

From casting to production in a three-week period of time is no easy undertaking. As Directors, we feel very fortunate to have worked with such a talented cast.
